

Getting the itch

That groaning
That getting the spot
Rubbed his back
Fur covered back
Into the rug
What bliss!
What joy!
Letting the itch
Get you!
Listening to its shout
And giving in
To it's fun
To it's release
To relax
Dogs can be better
Than us humans sometimes
Hearing the call
Feeling the need
To itch.
To relax
Revel in leisure
Get the itch my friend
Enjoy! Only here once!
